55 *Wedding Tips*

By: Zely Salazar

Congrats!

You're newly engaged and eager to dive into planning the details of the big day. Before you get overwhelmed by the choices, costs and innumerable possibilities, read these tips that every couple should know.

- 1.** Start planning early to give yourself enough time to organize everything.
- 2.** Create a budget and stick to it.
- 3.** Prioritize your wedding needs and allocate your budget accordingly.
- 4.** Consider hiring a wedding planner to assist you with the process.
- 5.** Choose a suitable wedding date and venue that accommodates your guest list.
- 6.** Research and book vendors well in advance to secure their availability.
- 7.** Create a wedding website to keep your guests informed about the details.

- 8.** Make a checklist to keep track of tasks and deadlines.
- 9.** Choose a color scheme and theme for your wedding.
- 10.** Decide on the style and formality of your wedding.
- 11.** Shop for your wedding dress or attire early to allow for alterations.
- 12.** Coordinate the attire of your wedding party.
- 13.** Send out save-the-date cards to your guests.
- 14.** Set up a system to manage RSVPs efficiently.

15. Consider hiring a professional photographer and videographer to capture your special day.
